

Where?

UCLouvain – IRMP/MATH Bâtiment Marc
de Hemptinne Chemin du Cyclotron 2
B-1348 Louvain-la-Neuve

How to get there?

By train: The building “Marc de Hemptinne” is 10 minutes on foot from the train station “Louvain- la-Neuve Université”.

By car: It is also close to the exit 8a (and not far from exit 9) of the E411 motorway.

Parking: There is a car park right in front of the main entrance. You need a one-day sticker to park there. We can request this for you if you provide us with your license plate number.

Another possibility is to park in the "parking malin" at the back of the building. This parking lot is free to access but a little further from the entrance.

Additional information & maps: See car and walking directions on the IRMP instute website :
